COME FLY WITH US!

Dear Colleagues and Friends,

Welcome to the Oklahoma Dental Association’s Annual Meeting! It is truly a pleasure to gather with professionals like you who are committed to advancing dentistry, strengthening our profession, and improving the oral health of all Oklahomans.

Whether you are joining us for the first time or returning as a longtime attendee, we are grateful you are here and hope you feel inspired by the energy, collaboration, and shared purpose that make this meeting so special.

This year, we are proud to offer more than 30 hours of high-quality continuing education designed to meet the evolving needs of today’s dental professionals. From clinical excellence to practice management and emerging trends, our goal is to provide meaningful, relevant learning opportunities that you can immediately apply in your practice. We are especially excited to share that our Annual Meeting is now PACE-approved, reinforcing our commitment to delivering education that meets the highest national standards.

An event of this caliber would not be possible without the dedication of many individuals. I would like to extend my sincere thanks to the ODA team and the Annual Meeting Planning Committee for their hard work, vision, and commitment to excellence. Their efforts ensure this meeting continues to grow and serve as a premier educational experience for our members.

As we continue to evolve and enhance this event, your feedback remains incredibly important to us. We are always looking for ways to better serve you and support your professional journey.

Thank you for being here and for your continued support of the Oklahoma Dental Association. I encourage you to take full advantage of all this meeting has to offer—connect with colleagues, engage with our outstanding speakers, and embrace the opportunity to learn, grow, and recharge. Wishing you a rewarding and enjoyable Annual Meeting experience.

Dr. Twana Duncan
President, Oklahoma Dental Association

ODAA

THANK YOU

Oklahoma Dental Assistants Association
for your continued partnership!

GENERAL INFO

Registration Desk Hours

The Annual Meeting Registration Desk will be open Friday from 7:00am to 5:00pm and Saturday from 7:00am to 2:00pm in the conference center lobby.

Name Badges

All attendees at the ODA Annual Meeting must register and wear a name badge. Entrance to each classroom is strictly limited to attendees wearing a 2026 ODA Annual Meeting name badge.

Ticketed Sessions

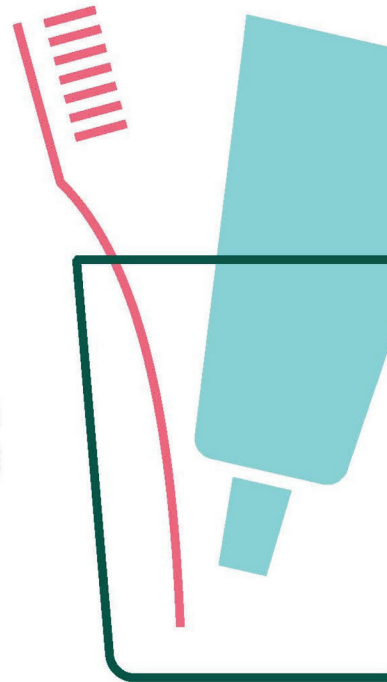

Registration fees do not include additional paid sessions. If you would like to attend a paid session for which you did not pre-register, please go to the registration desk to purchase a ticket.

Incentive Buying Program

ODA Members who spend \$5,000 or more with exhibitors on Friday at the 2026 Annual Meeting will receive a free registration for next year's conference! To participate, ODA members must submit receipts totaling \$5,000 or more to an ODA staff person at the Registration Desk during the 2026 ODA Annual Meeting. Only purchases that were made during Exhibit Hall hours on Friday, May 1 will be accepted in order to receive the free registration for next year. No receipts will be accepted after Saturday, May 2 at 2:00pm.

GET CE CREDITS

The Oklahoma Dental Association will provide Annual Meeting attendees with both a paper and an electronic Verification of Participation. The paper form is included in your registration bag, and the PDF form is online at okda.org/annual-meeting. Attendees will also receive an email after the Annual Meeting with a link to the form.

Credits are assigned by the ODA and/or ODAA on an hour-for-hour basis. Please note: ODA's Annual Meeting CE credits are now PACE approved, but please check with ODA if you need additional documentation for a fellowship or mastership program. The Oklahoma State Board of Dentistry has pre-approved all ODA Annual Meeting courses, and courses will count toward continuing education for licensure in the State of Oklahoma.

Oklahoma practitioners are responsible for submitting their own CE documentation to the Oklahoma Board of Dentistry. Please review the updated requirements online at ok.gov/dentistry. Out-of-state practitioners are responsible for submitting necessary continuing education documentation to their individual state's Board of Dentistry to receive credits. If you have trouble with your CE verification, please email Ramsey at rtarrant@okda.org.

The More Rewarding Way to Manage Risk

ALLIANT NOW OFFERS BETTER RATES AND HIGHER LIMITS FOR ODA MEMBERS

Alliant is the ODA Endorsed Insurance Broker

LIFE INSURANCE is a smart financial investment for you and your family. Unlike many other benefits, life insurance is more cost-effective now than in the recent past. During this tough economic period, ensuring that your family will be financially secure in the future is more important than ever.

DISABILITY INCOME eases the financial burden associated with a serious illness or injury that keeps you from working. Some professionals have no emergency fund to replace lost income due to a disability and some disabilities are not covered by workers' compensation.

BUSINESS OVERHEAD EXPENSE INSURANCE can help you and your business make it through a health crisis, such as an accident or sickness. This insurance provides benefits to help pay many of your practice's overhead expenses should you become disabled and unable to work.

ALLIANT IS THE NATION'S LEADING SPECIALTY BROKER

In the face of increasing complexity, our approach is simple: hire the best people and invest extensively in the industries and clients we serve. We operate through one national platform, giving clients complete access to our resources and expertise – regardless of where the resource is located – to capitalize on new opportunities to grow and protect their organizations and their people.
